

TOILET PAPER WITH A TWIST

BY TROY TURNER / 04/14/2015

Even if you have a toilet paper roll holder installed in your bathroom, chances are that every now and then you simply stand up your roll on some bathroom surface rather than replace the old one. Unfortunately, this means bacteria and dust can make their way to your bum! The solution? A toilet paper roll that's easily extendable to keep the paper elevated from the surface.
